§ 201.18 Notice of intention to obtain a compulsory license for making and distributing phonorecords of nondramatic musical works.

(a) *General.* (1) A “Notice of Intention” is a Notice identified in section 115(b) of title 17 of the United States Code, and required by that section to be served on a copyright owner or, in certain cases, to be filed in the Copyright Office, before or within thirty days after making, and before distributing any phonorecords of the work, in order to obtain a compulsory license to make and distribute phonorecords of nondramatic musical works.

(2) A Notice of Intention shall be served or filed for nondramatic musical works embodied, or intended to be embodied, in phonorecords made under the compulsory license. A Notice of Intention may designate any number of nondramatic musical works, provided that the copyright owner of each designated work or, in the case of any work having more than one copyright owner, any one of the copyright owners is the same and that the information required under paragraphs (d)(1)(i) through (iv) of this section does not vary. For purposes of this section, a Notice which lists multiple works shall be considered a composite filing of multiple Notices and fees shall be paid accordingly if filed in the Copyright Office under paragraph (f) of this section (*i.e.*, a separate fee, in the amount set forth in § 201.3(e)(1), shall be paid for each work listed in the Notice).

(3) For the purposes of this section, the term *copyright owner*, in the case of

any work having more than one copyright owner, means any one of the co-owners.

(4) For the purposes of this section, service of a Notice of Intention on a copyright owner may be accomplished by means of service of the Notice on either the copyright owner or an agent of the copyright owner with authority to receive the Notice. In the case where the work has more than one copyright owner, the service of the Notice on any one of the co-owners of the nondramatic musical work or upon an authorized agent of one of the co-owners identified in the Notice of Intention shall be sufficient with respect to all co-owners. Notwithstanding paragraph (a)(2) of this section, a single Notice may designate works not owned by the same copyright owner in the case where the Notice is served on a common agent of multiple copyright owners, and where each of the works designated in the Notice is owned by any of the copyright owners who have authorized that agent to receive Notices.

(5) For purposes of this section, a copyright owner or an agent of a copyright owner with authority to receive Notices of Intention may make public a written policy that it will accept Notices of Intention to make and distribute phonorecords pursuant to 17 U.S.C. 115 which include less than all of the information required by this section, in a form different than required by this section, or delivered by means (including electronic transmission) other than those required by this section. Any Notice provided in accordance with such policy shall not be rendered invalid for failing to comply with the specific requirements of this section.

(6) For the purposes of this section, a digital phonorecord delivery shall be treated as a type of phonorecord configuration, and a digital phonorecord delivery shall be treated as a phonorecord manufactured, made, and distributed on the date the phonorecord is digitally transmitted.

(b) *Agent.* An agent who has been authorized to accept Notices of Intention in accordance with paragraph (a)(4) of this section and who has received a Notice of Intention on behalf of a copyright owner shall provide within two

weeks of the receipt of that Notice of Intention the name and address of the copyright owner or its agent upon whom the person or entity intending to obtain the compulsory license shall serve Statements of Account and the monthly royalty in accordance with § 201.19(a)(4).

(c) *Form.* The Copyright Office does not provide printed forms for the use of persons serving or filing Notices of Intention.

(d) *Content.* (1) A Notice of Intention shall be clearly and prominently designated, at the head of the notice, as a "Notice of Intention to Obtain a Compulsory License for Making and Distributing Phonorecords," and shall include a clear statement of the following information:

(i) The full legal name of the person or entity intending to obtain the compulsory license, together with all fictitious or assumed names used by such person or entity for the purpose of conducting the business of making and distributing phonorecords;

(ii) The telephone number, the full address, including a specific number and street name or rural route of the place of business, and an e-mail address, if available, of the person or entity intending to obtain the compulsory license, and if a business organization intends to obtain the compulsory license, the name and title of the chief executive officer, managing partner, sole proprietor or other person similarly responsible for the management of such entity. A post office box or similar designation will not be sufficient for this purpose except where it is the only address that can be used in that geographic location.

(iii) The information specified in paragraphs (d)(1)(i) and (ii) of this section for the primary entity expected to be engaged in the business of making and distributing phonorecords under the license or of authorizing such making and distribution (for example: a record company or digital music service), if an entity intending to obtain the compulsory license is a holding company, trust or other entity that is not expected to be actively engaged in the business of making and distributing phonorecords under the license

or of authorizing such making and distribution;

(iv) The fiscal year of the person or entity intending to obtain the compulsory license. If that fiscal year is a calendar year, the Notice shall state that this is the case;

(v) For each nondramatic musical work embodied or intended to be embodied in phonorecords made under the compulsory license:

(A) The title of the nondramatic musical work;

(B) The name of the author or authors, if known;

(C) A copyright owner of the work, if known;

(D) The types of all phonorecord configurations already made (if any) and expected to be made under the compulsory license (for example: single disk, long-playing disk, cassette, cartridge, reel-to-reel, a digital phonorecord delivery, or a combination of them);

(E) The expected date of initial distribution of phonorecords already made (if any) or expected to be made under the compulsory license;

(F) The name of the principal recording artist or group actually engaged or expected to be engaged in rendering the performances fixed on phonorecords already made (if any) or expected to be made under the compulsory license;

(G) The catalog number or numbers, and label name or names, used or expected to be used on phonorecords already made (if any) or expected to be made under the compulsory license; and

(H) In the case of phonorecords already made (if any) under the compulsory license, the date or dates of such manufacture.

(vi) In the case where the Notice will be filed with the Copyright Office pursuant to paragraph (f)(3) of this section, the Notice shall include an affirmative statement that with respect to the nondramatic musical work named in the Notice of Intention, the registration records or other public records of the Copyright Office have been searched and found not to identify the name and address of the copyright owner of such work.

(2) A "clear statement" of the information listed in paragraph (d)(1) of this section requires a clearly intelligible,

legible, and unambiguous statement in the Notice itself and without incorporation by reference of facts or information contained in other documents or records.

(3) Where information is required to be given by paragraph (d)(1) of this section “if known” or as “expected,” such information shall be given in good faith and on the basis of the best knowledge, information, and belief of the person signing the Notice. If so given, later developments affecting the accuracy of such information shall not affect the validity of the Notice.

(e) *Signature.* The Notice shall be signed by the person or entity intending to obtain the compulsory license or by a duly authorized agent of such person or entity.

(1) If the person or entity intending to obtain the compulsory license is a corporation, the signature shall be that of a duly authorized officer or agent of the corporation.

(2) If the person or entity intending to obtain the compulsory license is a partnership, the signature shall be that of a partner or of a duly authorized agent of the partnership.

(3) If the Notice is signed by a duly authorized agent for the person or entity intending to obtain the compulsory license, the Notice shall include an affirmative statement that the agent is authorized to execute the Notice of Intention on behalf of the person or entity intending to obtain the compulsory license.

(4) If the Notice is served electronically, the person or entity intending to obtain the compulsory license and the copyright owner shall establish a procedure to verify that the Notice is being submitted upon the authority of the person or entity intending to obtain the compulsory license.

(f) *Filing and service.* (1) If the registration records or other public records of the Copyright Office identify the copyright owner of the nondramatic musical works named in the Notice of Intention and include an address for such owner, the Notice may be served on such owner by mail sent to, or by reputable courier service at, the last address for such owner shown by the records of the Office. It shall not be

necessary to file a copy of the Notice in the Copyright Office in this case.

(2) If the Notice is sent by mail or delivered by reputable courier service to the last address for the copyright owner shown by the records of the Copyright Office and the Notice is returned to the sender because the copyright owner is no longer located at the address or has refused to accept delivery, the original Notice as sent shall be filed in the Copyright Office. Notices of Intention submitted for filing under this paragraph (f)(2) shall be submitted to the Licensing Division of the Copyright Office, shall be accompanied by a brief statement that the Notice was sent to the last address for the copyright owner shown by the records of the Copyright Office but was returned, and may be accompanied by appropriate evidence that it was mailed to, or that delivery by reputable courier service was attempted at, that address. In these cases, the Copyright Office will specially mark its records to consider the date the original Notice was mailed, or the date delivery by courier service was attempted, if shown by the evidence mentioned above, as the date of filing. An acknowledgment of receipt and filing will be provided to the sender.

(3) If, with respect to the nondramatic musical works named in the Notice of Intention, the registration records or other public records of the Copyright Office do not identify the copyright owner of such work and include an address for such owner, the Notice may be filed in the Copyright Office. Notices of Intention submitted for filing shall be accompanied by the fee specified in §201.3(e). A separate fee shall be assessed for each title listed in the Notice. Notices of Intention will be filed by being placed in the appropriate public records of the Licensing Division of the Copyright Office. The date of filing will be the date when the Notice and fee are both received in the Copyright Office. An acknowledgment of receipt and filing will be provided to the sender.

(4) Alternatively, if the person or entity intending to obtain the compulsory license knows the name and address of the copyright owner of the nondramatic musical work, or the

agent of the copyright owner as described in paragraph (a)(4) of this section, the Notice of Intention may be served on the copyright owner or the agent of the copyright owner by sending the Notice by mail or delivering it by reputable courier service to the address of the copyright owner or agent of the copyright owner. For purposes of section 115(b)(1) of title 17 of the United States Code, the Notice will not be considered properly served if the Notice is not sent to the copyright owner or the agent of the copyright owner as described in paragraph (a)(4) of this section, or if the Notice is sent to an incorrect address.

(5) If a Notice of Intention is sent by certified mail or registered mail, a mailing receipt shall be sufficient to prove that service was timely. If a Notice of Intention is delivered by a reputable courier, documentation from the courier showing the first date of attempted delivery shall also be sufficient to prove that service was timely. In the absence of a receipt from the United States Postal Service showing the date of delivery or documentation showing the first date of attempted delivery by a reputable courier, the compulsory licensee shall bear the burden of proving that the Notice of Intention was served in a timely manner.

(6) If a Notice served upon a copyright owner or an authorized agent of a copyright owner identifies more than 50 works that are embodied or intended to be embodied in phonorecords made under the compulsory license, the copyright owner or the authorized agent may send the person who served the Notice a demand that a list of each of the works so identified be resubmitted in an electronic format, along with a copy of the original Notice. The person who served the Notice must submit such a list, which shall include all of the information required in paragraph (d)(1)(v) of this section, within 30 days after receipt of the demand from the copyright owner or authorized agent. The list shall be submitted on magnetic disk or another medium widely used at the time for electronic storage of data, in the form of a flat file, word processing document or spreadsheet readable with computer software in wide use at such time, with

the required information identified and/or delimited so as to be readily discernible. The list may be submitted by means of electronic transmission (such as e-mail) if the demand from the copyright owner or authorized agent states that such submission will be accepted.

(g) *Harmless errors.* Harmless errors in a Notice that do not materially affect the adequacy of the information required to serve the purposes of section 115(b)(1) of title 17 of the United States Code, shall not render the Notice invalid.
